LOCALIZZAZIONI COMMERCIALI URBANE NON ADDENSATE

The map displays a detailed urban planning scheme for a residential and commercial area. It features various colored zones: green for parks and green spaces, orange for residential zones, pink for commercial zones, and blue for urban commercial zones (L1.1 and L1.2). Building footprints are shown in grey, and streets are marked with red and black lines. The map includes numerous labels for specific zones and buildings, such as REB 1 through REB 55, RC 1 through RC 37, and L1.1, L1.2. A central area is marked with a red hatched pattern and labeled A1, indicating a significant historical densification area. The map also shows a network of streets and a river flowing through the area.
